

# Urban Wildlife Photo Club

January 2021 Newsletter

Next Membership Meeting: **January 11<sup>th</sup>, 2021**

Online meeting at 6:45 PM

**SEE PAGE 2 FOR MEETING LINK  
INFORMATION**

## Club Contact Information

Address: COUWPC  
PO Box 270501  
Louisville, CO 80027-0501  
Email: [uwpc@comcast.net](mailto:uwpc@comcast.net) Website <http://www.couwpc.com>

We wanted to wish all our members and their families a very Happy Holiday Season!

In this very unique, hopefully once in a lifetime condition, most if not all of us, will be celebrating in a much more limited way.

We will not have all our family with us, just a Christmas Eve “drive by” and gift exchange.

We are thankful that our family is healthy, and we hope all of yours is as well. Stay safe and let’s look forward to seeing each other in person soon.

Nadine and Bob

**A link for the online meeting will be sent out a few days before the meeting and again as a reminder about an hour before the meeting.**

Our program for January will be Andy Long presenting his very popular program *Seeing Photographically*. Andy has been a long-time member as well as a professional photographer and workshop leader. His travels taken him from his home state of Florida to Wyoming, Colorado, Texas, Idaho, California and now back here to Denver. He has led workshops from Alaska to France to the Falkland Islands and many places in between.

### **MEMBER MONTHLY IMAGE SUBMISSION**

Members and first-time guests are encouraged to submit images for a gentle critique. We are not a competitive club, but we do strive to help our members learn and improve their photographic skills. Guidelines are on page 3.

We have both open and theme image categories:

December Critique and Theme images due by December 7th

Send to: [uwpcimages@comcast.net](mailto:uwpcimages@comcast.net)

- January Theme – Snow

- February theme: Tree Bark / Dead (or Dormant) Trees

Please review the image submission stuff on pages 3 and 4

PLEASE READ THE FOLLOWING REQUIREMENTS FOR IMAGE LABELING, ESPECIALLY THE USE OF SPECIAL CHARACTERS (NO @) AND NAMING NEEDS. If I get really busy, I may not be able to accept images that don't follow these "rules."

PLEASE ADHERE TO THE DATE & SIZE REQUESTED -1MB or less

Two categories at each meeting - THEMED AND OPEN

- Maximum of 4 images total and no more than one themed image

- Email files one week before the scheduled meeting to

[uwpcimages@comcast.net](mailto:uwpcimages@comcast.net) Please use this one!

- Send themed category images in an email titled 'themed images'

- Send open category images in an email titled 'critique images'

- If your image is selected to appear on the club website, the website caption will be derived from the file name. **Be sure that your name and the image title**

**as you would like them to appear on the website are included in the file**

**name.** Use only letters (a-z and A-Z), numerals (0-9), dashes (-), underscores

(\_), and the single dot before ".jpg" in file names. Avoid using blanks. Use

dashes (-) underscores (\_) and capitalization to indicate word boundaries (e.g.

Bob\_Dean-Trees\_In\_Snow.jpg or BobDean-TreesInSnow.jpg). It is acceptable to

include other information that identifies the image in file names, but you risk

the possibility that this information will be misinterpreted by the webmaster.

Although it's unlikely, the image BobDean\_TreesInSnow\_27583.jpg might end

up on the website with the title "Trees in Snow 27853."

## MEMBER MONTHLY IMAGE SUBMISSION CONT'D

OPTIONAL Descriptive information for each *critique image* should be as follows:

Exposure data should, for example, include f/stop, shutter speed, ISO, any exposure compensation, and any filter information. Post processing enhancements should include only those things beyond simply cropping, sharpening, noise reduction, etc. such as HDR, panorama work, color enhancements, exposure changes, etc. If you can put the image data (if you choose to include it) **as text** in the body of the email as opposed to an attached word or excel file, it would be appreciated! Makes life easier if everyone does the same thing.

IMAGE	IMAGE TITLE	SPECIES	LOCATION	CAMERA	LENS	EXPOSURE DATA	POST PROCESSING ENHANCEMENTS
Critique 1							
Critique 2							
Critique 3							

**Please don't use an @ in the exposure information as when I copy it into the slide presentation, the computer sees it as an email address, and I need to retype rather than copy.**

## ANNOUNCEMENTS AND NOTES

### Writer's Wanted

We are ALWAYS looking for material to put in the newsletter. If you want to be "published," feel free to write (and add images if you want) on any subject about which you think the members would like to read. Don't worry about grammar or style, we'll do a bit of editing if you'd like. Send them to [uwpc@comcast.net](mailto:uwpc@comcast.net).

Be sure to check out our UWPC website page:

[http://www.couwpc.com/photos\\_month.html](http://www.couwpc.com/photos_month.html) for images from the December program. We have selected one image from each presenter. That was a difficult task as there were so many great images.

Response to the program was very positive and we'll see about a repeat performance in December of 2021.

### 2021 Meeting Plans:

As of now we will continue to have our meetings online. The church where we were meeting has not yet decided on outside organizations using the facility (I'm not sure they have even come to decisions on their own usage).

I'll continue to monitor the situation and probably look for alternate sites "just in case." Suggestions on sites are most welcome.

## ANNOUNCEMENTS AND NOTES

Hey folks, please consider contributing to [Our Urban Wildlife](#). Submissions did increase since I sent information to other clubs, but with the holidays, they have slowed!

### The other website!

Contributions to [oururbanwildlife.org](http://oururbanwildlife.org) have been stagnant for a few months. At this point, we don't need any administrative help with the site, but we do need contributions. Here are some of the ways that folks could help:

- Contributing photos
- Contributing blog posts (Curtis *might* edit posts, but only lightly for clarity)
- **Links to blogs or websites (new)**
- Soliciting others to write blog posts – any friend, acquaintance, or family member with special interest or knowledge of wildlife would be welcome
- Contributing articles
- Finding articles that we can reprint and getting permission to do so.
- Promoting the site to other clubs. I've found that promoting the site in person has been more effective than other methods.
- Promoting the site on social media. We already have a Facebook page set up for it and could add folks as admins to that page. We can work together to set up Twitter or other social media accounts.
- Contacting “celebrity” photographers for contributions – written or photographic. These folks could be known as photographers – such as John Fielder – or known for other work (journalism, politics, business, etc.) with an interest in photography – such as Tom Green on 9 News.

Please consider doing something to help this project along! If you have questions, contributions or ideas and are not sure what to do, contact me at [uwpc@comcast.net](mailto:uwpc@comcast.net) or Curtis Johnson at [curtis.e.johnson@comcast.net](mailto:curtis.e.johnson@comcast.net)

## Kudos

If anyone has an image published, places in a contest or gets any kind of recognition for their work, please let us know and we'll get it into the newsletter. Please use email to [uwpc@comcast.net](mailto:uwpc@comcast.net) to alert us. (If you tell me verbally at the online meeting or on the phone, I can almost assure you that I'll forget!)

Jim Picardi's image, *Iconic West*, was chosen as the lead photo in an issue of the National Wildlife Federation's magazine, *Working for Wildlife*. This issue deals with the passing of the Great American Outdoors Act which was signed into law in August.

# PHOTO CONTESTS

## Some thoughts on Photo Contests:

Whenever you think about entering a photo contest you should very carefully read the Ts and Cs. I know that the legalese can be daunting but there are a lot of contests out there that are a “rights grab.” Make sure that the ones you enter specifically lay out the image ownership agreement. Whenever you send in images to a contest you are entering into a contract. You really should consider only those contests that have very limited usage of your photos and state in their rules that YOU retain full ownership of the image. When you read the fine print on image usage, watch out for those contests that demand the right to use all your entries for their own purposes, not just the winners.

## BBC Wildlife Magazine Monthly Photo on going Contest Information at:

<http://www.discoverwildlife.com/your-photos/photo-contest>

## Contest Information Website;

If you'd like a resource that has just about all the contests out there, take a look at Photo Contest Insider at <https://www.photocontestinsider.com/contest/all-themes/>

When considering a contest, heed the warnings in the “Some thoughts..” box above.
